General Comment

. you have already done your will with my social security. Social security of which the government has mandatorily taken out of my paycheck. I choose to secure my future by investing extra money into a retirement fund / 401k / future retirement income accounts. You Liberal Democrats need to keep your hands off of all of my future earnings / investments you have already ruined my social security which I still have to pay into. I am still paying into. Do not dare to try to touch my private investment / savings / retirement.!
